Fish stock:-

Crucian carp, Roach, Rudd and Tench

Baits, Tips and Tactics:-

Use simple tactics and very light tackle, no more than 5Lb line with 2lb hook lengths, using a very soft rod as fishing for Roach, Rudd, Tench and Crucians. Bait can consist of maggots, dead maggots, castor, punched bread, Tares and 5mm luncheon meat tied directly to the hook. If fishing the margins / Lilly pads plumb up to just on bottom. If fishing towards the middle of the pond plumb up to 4ft under the float and expect bites on the drop. This is a simple pond and requires simple/ old fashioned set ups. I have always found that ground bait does not work, but hemp does attract everything.
